Botswana

CHRONICLES OF BATSvana
EXPERIENCING BOTSANA FROM THE EYES OF ITS PEOPLE;
50 YEARS OF KNOWLEDGE, PROGRESS, INNOVATION AND SUCCESS.
Experiencing Botswana from the eyes of its people; 50 years of knowledge, progress, innovation and success.

As we look to celebrate our 50th anniversary we look not to the material fortunes that our hard working country has accrued but to the people who through simple acts of nobility have made this country that’s synonymous with the concept of Botho the marvel it is.

This book aims to look at the progress that Botswana has made by sharing untold stories of the beneficiaries of our forefathers and impeccable government. This year however is unique in that it marks Botswana’s Vision 2016 realization. Vision 2016 was dubbed in order to create a mechanism that would set a road map to guide Botswana’s development through seven main aims.
Heritage is inherited from past generations, maintained in the present and bestowed to future generations.
I AM BOTSWANA

MY BOTSWANA
We take a look at some of the most compelling stories from historical icons in Botswana individuals from various cultural backgrounds who have not only truly seen the change but have experienced it. Chiefs, Khoisan, longest serving civil servants, government officials, ordinary citizens.

THROUGH THE LEADERS EYE
Botswana has come a long way to where we are today and this primarily due to the strong leadership and guidance, this section will focus on the various leaders in government their experiences best memories and hope for the future. It will also include testimonies from various individuals who have benefited due to the intervention of the different government ministries.

CORPORATE CHRONICLES
To celebrate various companies in Botswana who through the years have continued to contribute immensely to the development and advancement of our beautiful nation. Also enclosed in this chapter is a testimonial section that will allow companies to share their corporate responsibility initiatives that they have embarked on throughout the years.

VISION FOR THE FUTURE
The hopes and dreams of Batswana for the future.
THE PEOPLE
This is the only book that will allow all Batswana to have their stories told from all walks of life from all corners of this country regardless of race, gender, economic background or ethnicity. Celebrating 50 years is about seeing what progress has been made from the eyes of those it was made for.

YOUTH DRIVEN
This book is written by the youth, participation in this book would help us the youth of today to tell the stories of this country of our perspective and get an opportunity to pay our respect to all those who made our country an incredible place to live in.

BOTSWANA IN ONE BOOK
Can be used as a cooperate gift as it shares success stories from companies and individuals who have lived and prospered in the country.

A FOOTPRINT IN THE SANDS OF HISTORY
This book will document this remarkable point in time and will forever be remembered as the one book that truly spoke and represented who Batswana are our culture, entertainment, food, music, history and future.
